Offer: Debt-Collection in Germany

Dear Ladies and Gentlemen,

thank you very much for your request. We are pleased to present our offer.

No cure – no pay!

Services

- Pre-judicially and judicially dealing with your mandates in Germany
- Creditworthiness check based on partner companies' data banks
- Address research and residence investigation
- Professional debt collection by phone
- Instalment agreements and plans
- Institution of legal collection proceedings (please ask for separate conditions)
- Execution proceedings (please ask for separate conditions)

Conditions

You only transfer claims that are expected to be due. The debtor therefore has not yet denied your claim. The debtor has been put in default by a written reminder.

Successful Realization

You will get your main claim minus a success based commission of 7,5%.
debkonplus Inkasso GmbH will get 100% of the fees, interest and costs.

Important!

For the success based commission it does not matter if the money is paid
in to your or our account.

Unsuccessful Realization

Pre-Judicially

No cure – no pay!

Judicially

In case you want us to take the case into judicially proceedings please ask us for the terms and conditions as well as the extra costs.

Additional Services

We offer a range of additional services e.g. business information packages, “Reminder-Stickers” in German to upgrade your reminder letters. Please ask for details.

You would like to place an order?

Please fill in the attached **collection contract form once only**. For each collection case please use the **collection order form**. Both forms can be filled in comfortably on your PC. Please send a copy of the invoice, reminder, customer’s contract or order as well. All documents are to be send signed to:

Fax: +49-2154-81629-29

Certainly you may send your documents to the following email address, too:

Email: order@debkonplus.de
